Subject: Views on the Personal Data Protection Act

Hi
Here is some feedback:

- make data collected for daily matters like contests, lucky draws be used only for that specific purpose, and not recycled to be used for a variety of other purposes, such as telemarketing and so on
- control the extent to which such data can be shared/sold to 3rd parties
- make the "do Not Call" registry an opt out registry and not an opt in registry

Rgds
David
